Summary

Mr. Saralino joined the firm in 1989. His practice focuses on preparing and prosecuting patent applications and counseling clients on patent infringement, validity and related patent litigation claims. Mark specializes in the electrical arts and has extensive experience in the consumer electronics field.

Mr. Saralino's practice stretches across the globe. He often travels to Asia for his clients and frequently gives presentations to foreign law firms to educate them on the practice of patent law in the United States. Mr. Saralino is an Ohio Super Lawyer (Law & Politics).

Mark previously worked as an electrical engineer for Alpha Industries, Inc., specializing in high-frequency component design in the microwave and millimeter wave bands. Prior to working at Alpha, Mark worked for the Central Intelligence Agency as a design engineer.

Interests

Mark enjoys a broad range of activities including: traveling, gardening and landscape design, automobiles and home entertainment systems.
